Funding for the Maryland Research Capacity Grant is provided through grant #90YE0107/01 from the Office of Planning, Research and Evaluation in the Administration for Children and Families, U.S. Department of Health and Human Services. The contents of this report are solely the responsibility of the authors and do not necessarily represent the official views of the Office of Planning, Research and Evaluation, the Administration for Children and Families, or the U.S. Department of Health and Human Services.

Acknowledgements

This report would not be possible without the contributions and guidance of key individuals in the Maryland State Department of Education, Division of Early Childhood Development: Phil Koshkin, Chief, Research and Evaluation; John Spears, Senior Human Services Consultant RESI, Jenaya Smith, Early Learning Specialist, and Michele Goady Director, Special Initiatives. The authors would especially like to thank Rolf Grafwallner, Assistant State Superintendent, Division of Early Childhood Development for his vision and support for this report. Additional thanks to Child Trends staff Tamara Halle, Co-Director of the Early Childhood Development Program Area, for her review and guidance during the development of this report and Paula Daneri, Research Assistant for her contributions to the data presentation.
