

2013 Early Childhood Data Systems Survey

Maryland^{1,2}

Number of States Responding "Yes" (n=51)³

Status of securely linking child-level data across Early Childhood Ed	ucation (ECE) prog	grams⁴
"Linking child-level data across programs" refers to the ability to follow individual	children across ECE	programs. For example, if the
two databases link child-level data, a program administrator could identify that a	child attends both a S	State Pre-Kindergarten
program and a Head Start program.		-
State links across all programs	—	1
State links across some programs	Yes	25
State has the capacity to link, but is currently not doing so	_	4
State planning to link	—	17
State does not currently intend to link	—	4
Method(s) to link child-level data across <u>ECE</u> programs		
Unique Child ID	_	14
Matched on other variables, such as name, birthdate, gender	—	1
Both Unique Child ID and matching on other variables	Yes	11
ECE program databases being linked		
Early Intervention (IDEA, Part C)	Yes	17
Preschool Special Education (IDEA, Part B, 619)	Yes	22
State Pre-Kindergarten ⁵	Yes	23
State-Funded Head Start ⁵	165	7
Federal-Funded Head Start	_	6
Subsidized Child Care		12
Status of securely linking ECE child-level data to state K-12 data syst	Yes	12
"Linking child-level data to state K-12 data systems" refers to the state's ability to education databases and the state's K-12 data system. For example, a program	administrator could id	
education databases and the state's K-12 data system. For example, a program entering kindergarten, was receiving Subsidized Child Care for two years before	administrator could id	dentify that a child, who is
education databases and the state's K-12 data system. For example, a program entering kindergarten, was receiving Subsidized Child Care for two years before State links all ECE programs to K-12	administrator could ic kindergarten.	dentify that a child, who is 1

 1 '—' means a no response to the question

 $^{2}\ ^{\prime}\mbox{N/A'}$ means the response option was not applicable

³ Includes all states and the District of Columbia

⁴ ECE programs include Early Intervention (IDEA, Part C), Preschool Special Education (IDEA, Part B, 619), State Pre-Kindergarten, State-Funded and Federal-Funded Head Start and Subsidized Child Care.

⁵ Not all states offer State Prekindergarten and/or State-Funded Head Start. The total number of possible responses for questions referring to these programs are: State Prekindergarten (n=43) and State-Funded Head Start (n=15).

All states adhere to the Family Educational Rights and Privacy Act (FERPA) and Health Insurance Portability and Accountability Act of 1996 (HIPAA) which protect the security of individual level education and health data. The responsibility for governing data privacy and/or security functions resides in multiple agencies. In Maryland, the established ECE data system governance entity also performs this function.

¹ '—' means a no response to the question

 $^{\rm 2}$ 'N/A' means the response option was not applicable

³ Includes all states and the District of Columbia
