

# Implicit Bias Activity

## Step forward if...

---

- Birth control should be accessible and free for all, regardless of gender, age, religion, race, etc.
- A woman should never be responsible for buying condoms.
- If someone cannot afford to pay for a child's needs, they should get on a LARC.
- If someone cannot afford to pay for a child's needs, they should have an abortion.
- Men cannot be trusted with discussions of birth control.
- LGBTQ+ identified people do not need access to birth control as much as straight identified people.
- Health insurance companies should cover gender related care for trans people.
- Teens are not good parents.
- Periods are disgusting and embarrassing.
- I'm comfortable sharing my personal experiences while teaching.
- Mothers of color are more likely to manipulate the system in order to get food stamps and other benefits from the state.
- It's never ok for someone to hit their partner.
- Parents should be the ones to educate their kids about sexual health.
- LGBTQ+ students need extra support in the classroom.
- If someone loves their partner, they will drop anything for their partner.
